According to School (2019) Document No. 17 titled “Announcement List of Outstanding Undergraduates in Term of Academic Performance in 2019”, **Huang Chen (Student ID: U201810116)**, majoring in **Physics**, is selected as the Outstanding Undergraduates in Term of Academic Performance.

“Outstanding Undergraduates in Term of Academic Performance”, as the greatest honor for undergraduates in Huazhong University of Science and Technology, aims to commend the students who have outstanding achievements in course and extracurricular practice. Every year, the award is open to all sophomore and junior students, but only the top 1% can attain this honor. The awarded students will be provided with professional instructors and personalized talent training plans.

Hereby certify that!
